

Program in the History and Philosophy of Science

The Florida State University

Tallahassee, Florida 32306-1500, U.S.A.

Program Application Form

Item to be sent only to the Office of Admissions:

—Completed "Application for Admission to a Graduate Program"

Items to be sent to both the Office of Admissions and the HPS Program (the program will accept photocopies):

—Official transcript(s) of all college work, undergraduate and graduate

—Official confirmation of GRE scores

Items to be sent only to the HPS Program::

—This Program Application Form, completed

—Three letters of evaluation (no forms required).

—Statement of interests and educational goals (not to exceed 250 words)

—A recent writing sample (not to exceed 20 double-spaced pages)

To be considered for a fellowship or assistantship you should ask your letter-writers to comment on your suitability for a fellowship or assistantship. Completed applications (forms plus supporting materials) for Fall admission should be received by the program by **February 1, this includes applicants who want to be considered for funding.**

Completed applications (forms plus supporting materials) for Spring admission should be received by the program by **October 1, however, admission for the Spring is considered only in exceptional cases.** Funding consideration is completed only during the spring semester for the following fall.

IMPORTANT: THIS FORM IS NOT AN APPLICATION FOR ADMISSION TO GRADUATE SCHOOL. To apply for admission, submit the "Application for Admission to a Graduate Program" to the Office of Admissions. Official confirmation of GRE scores must be sent from Educational Testing Service, 20 Nassau Street, Princeton, NJ, to the Office of Admissions. (If one fully completes an application for admission to a graduate program and ensures that transcripts and GRE score report reach the University by mid-January, then they need not also be sent to the program. However, to insure consideration, it is best to send materials to both places.)

Program in the History and Philosophy of Science
